SPIRIT HERITAGE

Novelty can be a fascinating thing; newness can be a compelling thing. "We've never done it, let's try it!" is oftentimes the only cry necessary to compel the interest and zeal of the multitude. Yet history demonstrates that novelty does not necessarily imply value. Something new, never tried before, is too often just as quickly put down and forgotten. The creation which endures is the creation of value.

This is only the second issue of "Heritage". The reason is simple enough: the class of 1966 is only the second graduating class of Port Huron Catholic High School. But the 1966 Heritage represents an important step in the historic development of Port Huron Catholic.

Having traveled the maze of difficulties involved in publishing a yearbook the possibility

of saying "not this year" seemed almost enticing. But it is almos symbolic of the "spirit" of Port Huron Catholic that students and a faculty member were found who were willing to address themselves to the task.

A yearbook and its publication is no easy task. It demands the interest of students, relatives, merchants and faculty members. But it demands on more than the interest of some. In the case of the book's staff it demands hours and hours of oftentimes tiresome labor.

However if a school claims "spirit" as part of its personality ... and we believe a school does have its own personality ... then it must demonstrate that "spirit" in countless varying ways: in community projects, in school projects, in the class-room, on the playing field or court, in the day to day dynamics of student and school life.

So we have chosen "SPIRIT" as the theme of this second copy of the Heritage. And, perhaps, this is the first time you have been able to hold "spirit" in tangible form. It's contained in the pages and bound in hard cover.

It is better than the issue of 1965? We hope it is, we would like to think it is, but we would have to admit that this is a judgment couched in some prejudice.

Suffice it to say that we offer the 1966 copy of Heritage with the hope that it brings enjoyment, that it solidifies memories and happy occasions, that it does its part in furthering the "spirit" of Port Huron Catholic High School.

With Faithfulness

To the students of Port Huron Catholic, we have for you Father McAnoy a deep sense of appreciation for what you have done for us, especially in using a firm hand to correct our mistakes. Through your fine example you have encouraged us to acquire virtue, and have instilled in us a special love for the Holy Eucharist as the center of our lives, and in the Sacrament of Penance as the source of grace. You have taught us the strength derived from the courage of one's convictions and made us aware of the link of our daily lives with our eternal life.

For the Senior class of nineteen hundred and sixty six, these four years have been years of joy and gratitude, and it is our parting wish that we carry out the ideals that you have inspired in us, and that we the Seniors are proud to have been part of Port Huron Catholic.

Reverend Thomas J. Mc Anoy

Sister Mary Willard, O.P.

To you Sister Willard, the student body owes a special debt of gratitude: Because you believe change is a sign of life and growth, your one year at P.H.C. has been characterized by a willingness to try new ideas. Your approach to the students has been straightforward and fair-minded, besides being seasoned with your keen wit and sense of humor. You have worked to bring us closer to God by bringing us closer together with the faculty and each other. But above all besides always showing respect for our ideas and endeavors you have demonstrated an eagerness to learn from us.

It will be with deep appreciation that we welcome you back next year.

Builders of School Spirit

Our faculty are the builders of the future, for they shape our minds and our character. They develop us into whole human beings through their example and knowledge. They have enkindled in us unity, the one thing that is so badly needed in the world today. This unity is school spirit. Thus, the faculty is the most important organism in the running of the school and in the development of individuals.

Seek and You Will Find Answers

Sister Roberta Marie, O.P.

Through science we seek answers to explain the mysterious and the common place happenings of every day. It is through this wondering that new theories and facts are formed and accepted. Thus, science is our key to the future and we are the world's future scientists.

Sister Mary Samuel, O.P.

Sister Mary Norman, O.P.

Solutions for the Future

Mr. W. Peter Likins

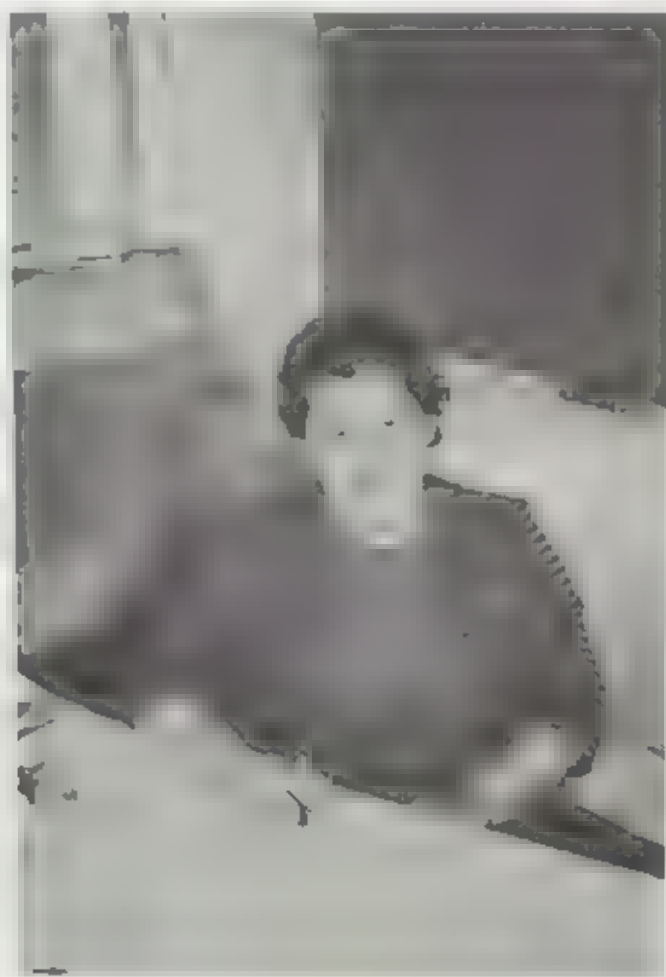

Sister Mary Alicia, R.S.M.

Mathematics is a science. The science of numbers and the way they operate. It is through this science that the future is built and developed.

Sister Mary Clement, R.S.M.

Mrs. Robert McDonald

Business and Homemaking

Mrs. Posey

Sister Rose Marie, S.C.

Business is a commercial art needed in order to run the world around us. It consists of bookkeepers, secretaries and filers.

The homemaker plays another part, for it is through these people that the family is operated.

Mrs. Dunbar

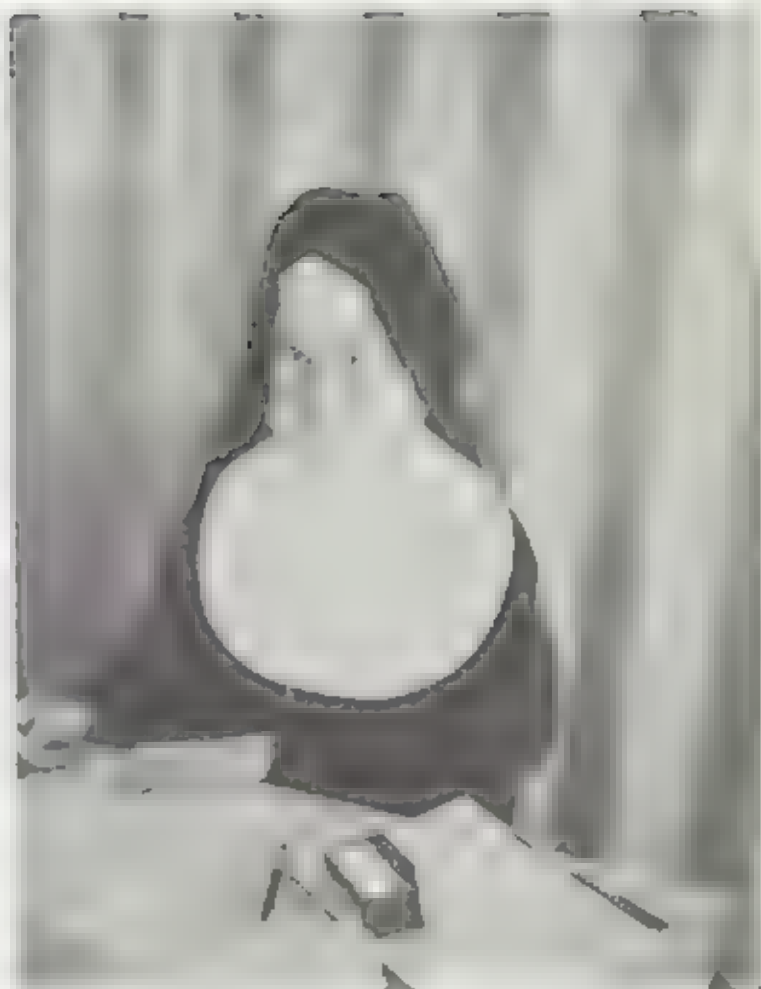

Sister Alice Patricia, I.H.M.

Friendship Can Only Be Achieved Through the Senses

Sister Marie Mark, S.S.J.

The spoken word is one of our keys to friendship and peaceful co-existence in a world of turmoil and war. Without communications among people there can only be misunderstandings and needless conflicts. Thus, languages must be learned and taught in schools throughout the world to insure peace.

Travel Without Movement

English is a combination of grammar and literature. It leads us to a world of imagination, or a world of reality. It can show love, hate, sorrow or any other emotion you can feel. In this way it develops us more fully into human beings.

Sister James Agnes, I.H.M.

Miss Ann Kuchel

Sister Anthonita, I.H.M.

Our Guides To Tomorrow

Father Joseph Blinstrub, counselor.

Guiding students to the world of tomorrow is the job of a counselor. He helps them decide their future in an ever changing world and solves difficulties facing students at the present time.

Our spiritual guide is the priest who helps us plan our future in relation to God.

Father Mason L. Vaughn

World of Expression

Art and music are an expression of a person's feelings and of his outlook on life and the world. Art displays a person's feelings in lines, colors and figures; while music shows feeling in timing, notes and lyrics. Thus, through art and music we can share a person's feelings and develop a true knowledge of life.

Sister Mary Jonathan, O.P.

Sister James Martin, O.P.

Mr. Donald Wismer, Jr.

Mr. David Woodcock

Sister Rita Marie, S.S.J.

Past, Present and Future

Sister Leo Therese, S.S.J.

Sister Mary Catherine, S.S.J.

History is our connection with the past. In it we see the blunders and achievements of our forefathers. It is through our review of history that the present and future can be molded and developed into something better.

Health Means Exercise

Mr. Irving Claseman

Physical fitness is needed in the world today. Our working ability depends on how fit we are. Through exercise and sports we will develop physically as well as mentally, and be able to face the life ahead of us better.

Miss Frances Foley

Faculty In Action

Here we see Sister Leo Therese, Sister James Martin, and Sister Mary Jonathan looking in their mailboxes for a letter or package.

Our faculty lead a busy life. You see them during exchange of classes rushing to their next class, in the classroom, and checking papers. However, have you ever seen what they do between classes? This also is a part of our faculty. It is this hidden part of their day or week that we would like to show you through pictures.

Counseling is the job of the whole faculty. Here we see Sister Anthonita discussing plans for college with Jane Streeter and Barb Ingraham.

Meal time means relaxation for the faculty, for here they can talk and joke about everyday happenings.

Smiling, Sister Willard, Sister Jonathan, and Sister James Martin are glad it's TGIF (Thank Goodness It's Friday) time.

Mr. Dionne, our bookkeeper.

Workers Behind the Scene

The kitchen help, from left to right: Mrs. O'Donnell, Mrs. Carter, Mrs. Carmody and Mr. Fred Pippin, pass out hot lunches to Barb Roberson, Bruce Lawrence and other students, while Albert Letzgus watches.

These are the people that keep our school going. They type our letters, balance our books and cook our meals. These men and women are the core of the school. They are the silent workers behind the scene, who make many sacrifices for the school and for its student body.

Mrs. Margaret Carroll, our clerk.

Spiritual Development in the Student Body

Future character and spiritual development of the students of Port Huron Catholic centers around their religious convictions as an active member of student body at Port Huron Catholic. "A good tree cannot bear bad fruit, nor can a bad tree bear good fruit." Matthew 7.18

On the first Friday of each month the student body of Port Huron Catholic assembles in the gym for the purpose of participating in the holy sacrifice of the Mass.

The students and faculty listen attentively to one of Father McNoy's sermons.

Father changes the wine to Blood as the students watch.

The chapel is the locale where students' values are motivated and strengthened.

Students seem to find time to visit the chapel even in their busy daily schedules.

The stained glass windows of the chapel at Port Huron Catholic set it apart from the rest of the school.

Confessions are heard nightly in the chapel for the convenience of the students.

Many students meditate frequently during Lent.

Academics -

Prelude to a Career

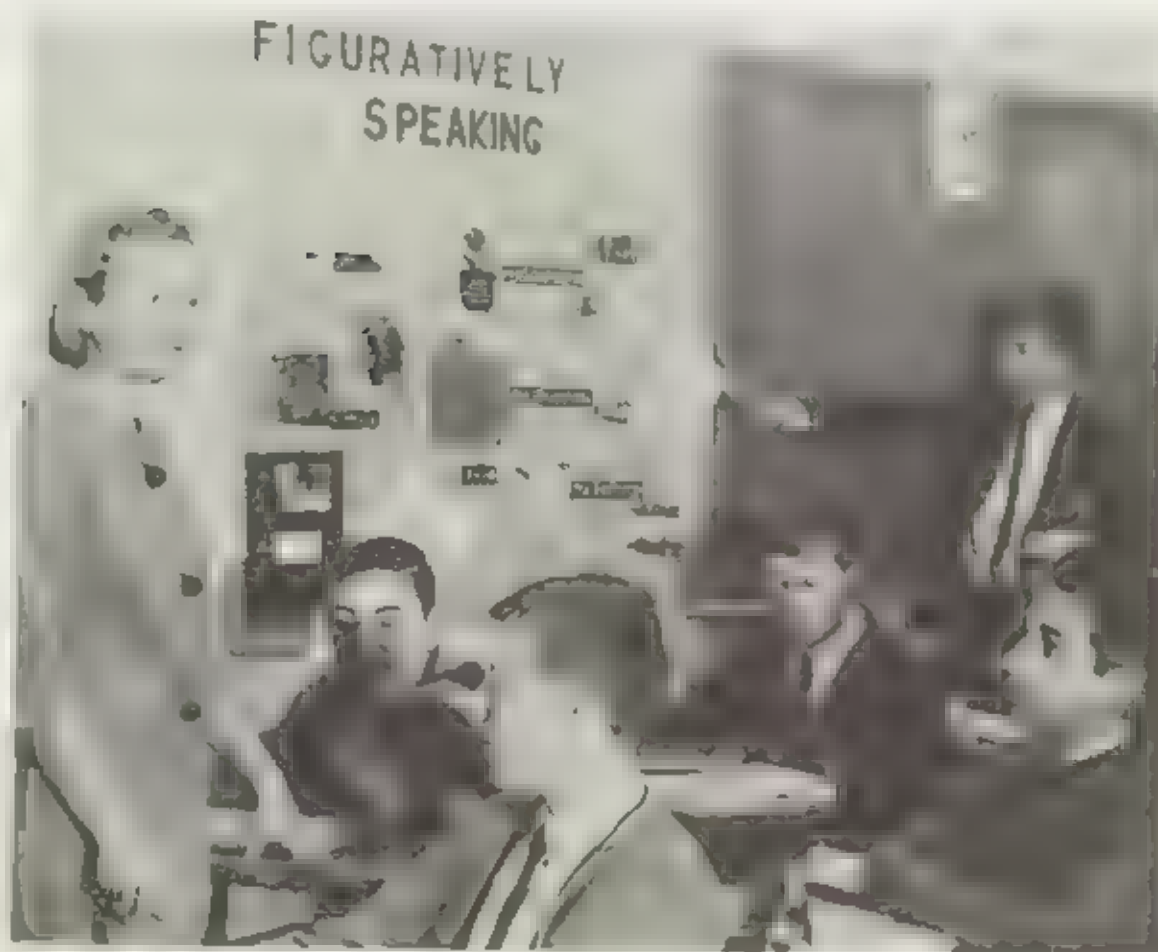

Today's students have a tremendous advantage over the students of yesterday. Modern facilities and advanced techniques enable a student to reach the pinnacle in education in a much faster manner. His spirit, therefore, is enthusiastic for he feels that the problems of reaching his goal have been greatly lessened. A well planned and equipped facility, encourages a real spirit of progress to each and everyone in attendance.

Right: Miss Kuschel answers questions from her freshman boys in English class.

Left: Sr. Caelan observes her English class of senior boys as they read through their assignment.

In order to succeed in other subjects, a student must know how to speak, read, and write correctly. In the English department, the students learn not just grammar, but they study different literary works from Anglo-Saxon to 20th century writings.

Miss Scheff listens to an opinion expressed by one of the sophomore boys in English class.

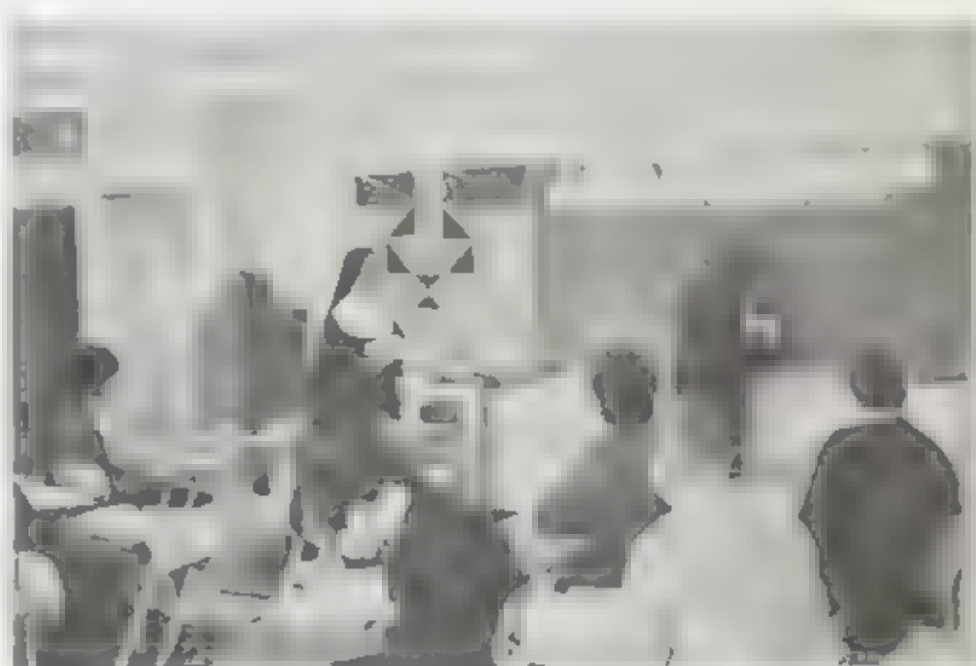

Tom Noetzel tries to explain a rather humorous point to Sr. Anthonita in her senior English class.

Jim Venia and Sr. Anthonita discuss Goethe's writings as the rest of the senior boys look on.

Most students find that it is profitable to study a second language in high school. There are many words and meanings that are similar in the different languages which help each student.

Sr. Marie Marks looks on as her fourth year Latin students translate their lesson

Right: If you want to know anything about France, ask a 'Frenchman'. That's just what Nan Koerber did; and Miss Bierge is more than willing to help.

Sr. Leo Therese points out a humorous event in American history to her class of junior girls.

Mr. Wismer questions his class of senior girls on the role of the Federal Government.

Below: Mr. Wismer gives a short quiz to his senior boys in economic class.

World History, which is usually taken in the freshman or sophomore year, informs the students of the world's discoveries to its many problems. In the junior year, the student has American History which devotes itself to America's discovery, its development, its conflicts, its glories. Government and Economic classes for the seniors, strive to give explanations of our democratic government and our country's economic system.

Sr. Rita Marie points out one aspect of American History to Kyrion Dionne.

In Sr. Alicia's 'Lost Math Class', Ron Bloink, (left) works a problem, and then (right), he explains his work to the rest of the class.

Some knowledge of mathematics is necessary in order to manage our individual lives efficiently. In a larger sense, none of the sciences today could exist without the help of mathematics. In freshman and sophomore years, the students begin the study of Math through Algebra I and Geometry. For those who wish to continue in Math, there is Algebra II and Math IV.

Above: Chris Lawrence and Julie Vargo work on an Algebra I problem as Mrs. McDonald looks on.

In Geometry class, the students listen as Sr. Clement explains a problem to Gerry Keegan.

Many talents and skills of the students can be brought out and developed during their high school years. Classes such as art, clothing, foods, and music help the student himself and others to recognize and develop his God-given gifts.

Sr. Alice Patricia explains to Nancy Molinaro the advantages of putting the lining in by machine as Nancy Kraus, Mary Ann O'Donnell, Carol Block, and Sharon Zwiernik listen.

The art room is always buzzing with various creative activities. Here some of the students help Sr. James Martin with a 'stinky' project.

Sr. Alice Patricia supervises as Pat Daver and Linda Szymanski "stir their brew."

Students find that, with Sr. Jonathan teaching, music appreciation class can be enjoyable as well as informative.

Sr. Jonathan attempts to convince her class that it isn't as hard as it may seem to sing. Ready? do re mi . .

Physical fitness is essential for our health; both mental health and physical health. At Port Huron Catholic, the students have wonderful opportunities to keep fit. Our large gymnasium provides space for anything from boys basketball . . .

to girls' gymnastics . . .

to a place in which to take examinations. Here, the sophomores take the D.A.T. Test on March 9, 1966.

Sr. Rose Marie watches her typing class as they warm up for a speed test.

Linda Waite types vigorously during a 2-minute speed test.

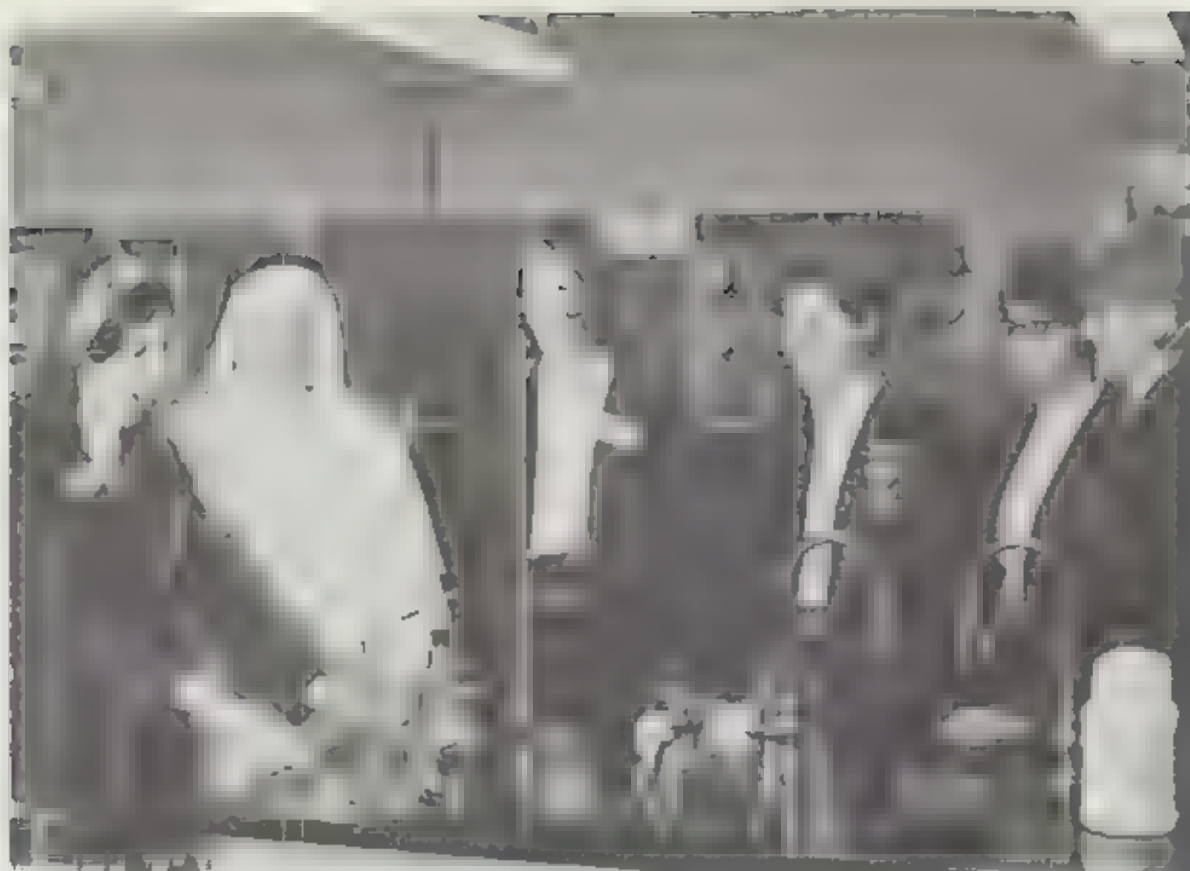

Mrs. Dunbar points out one of the techniques of shorthand to Mary Holmes.

In high school, the students learn types of skills, other than just academics. Through courses of typing, drafting, office practice, shorthand, and book-keeping, the students prepare themselves for jobs in the future.

Ernie Stuart, left, and Jesse Cassillo, right, work with their classmates on a project on architectural design.

Chemistry has lots of surprises as Carol Hines, Sr. Roberta Marie, Jan Kubek, Sharon Daniels, Clara DeNardi, and Judy Landschoot find out

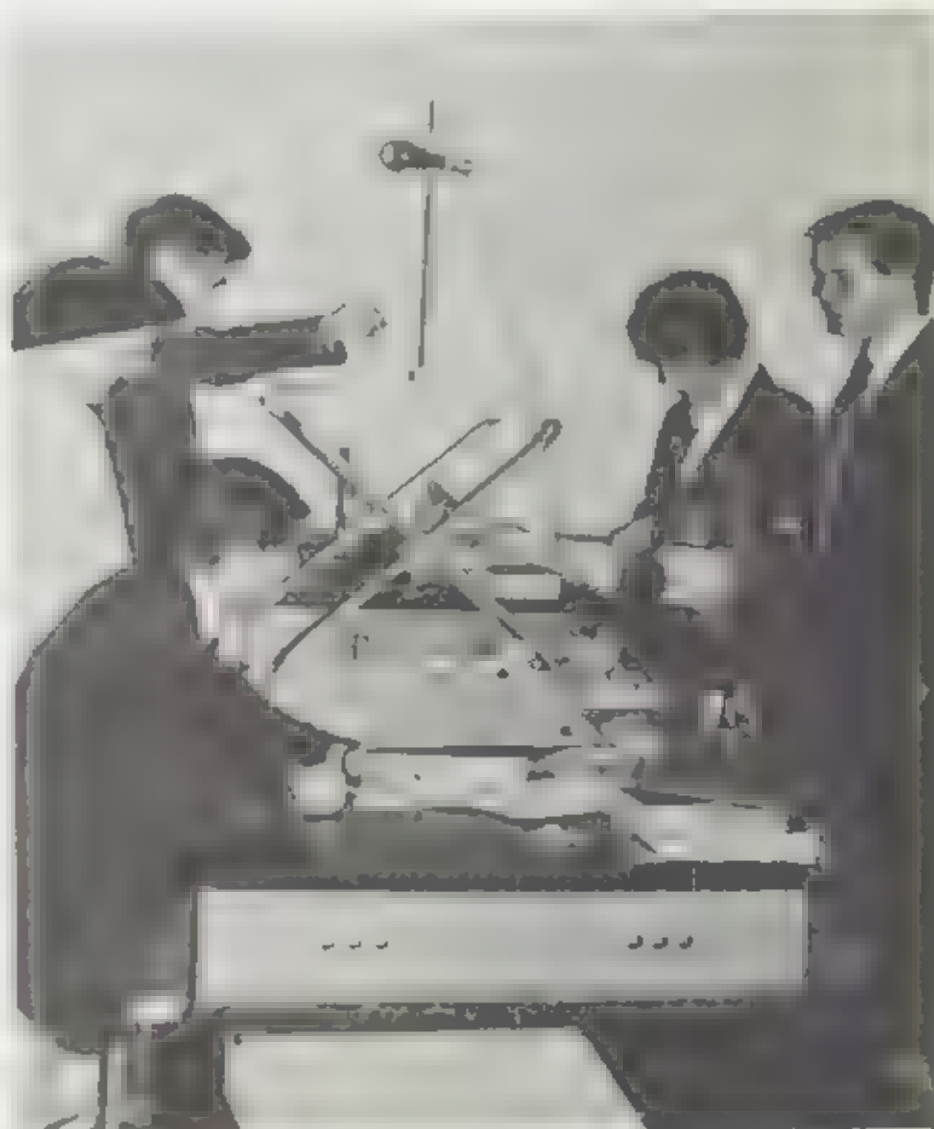

Through classes of Earth Science, Biology, Chemistry, and Physics, students learn about the earth's surface, their human existence, chemical substances, and different theories of light. These classes help the students answer many questions about their surroundings and the world in which they live.

Janet Artman and Kathy Ricketts work intently on their problem.

In Biology, Sr. Mary Norman helps Rudy Coronado, Richard Schock, and David West

Sr. Roberta Marie looks on as Rich McDonald, Mike Whaling, Sharon Hendrick, Ron Bloink, and Dawn Lyons observe the pattern of waves in their physics class.

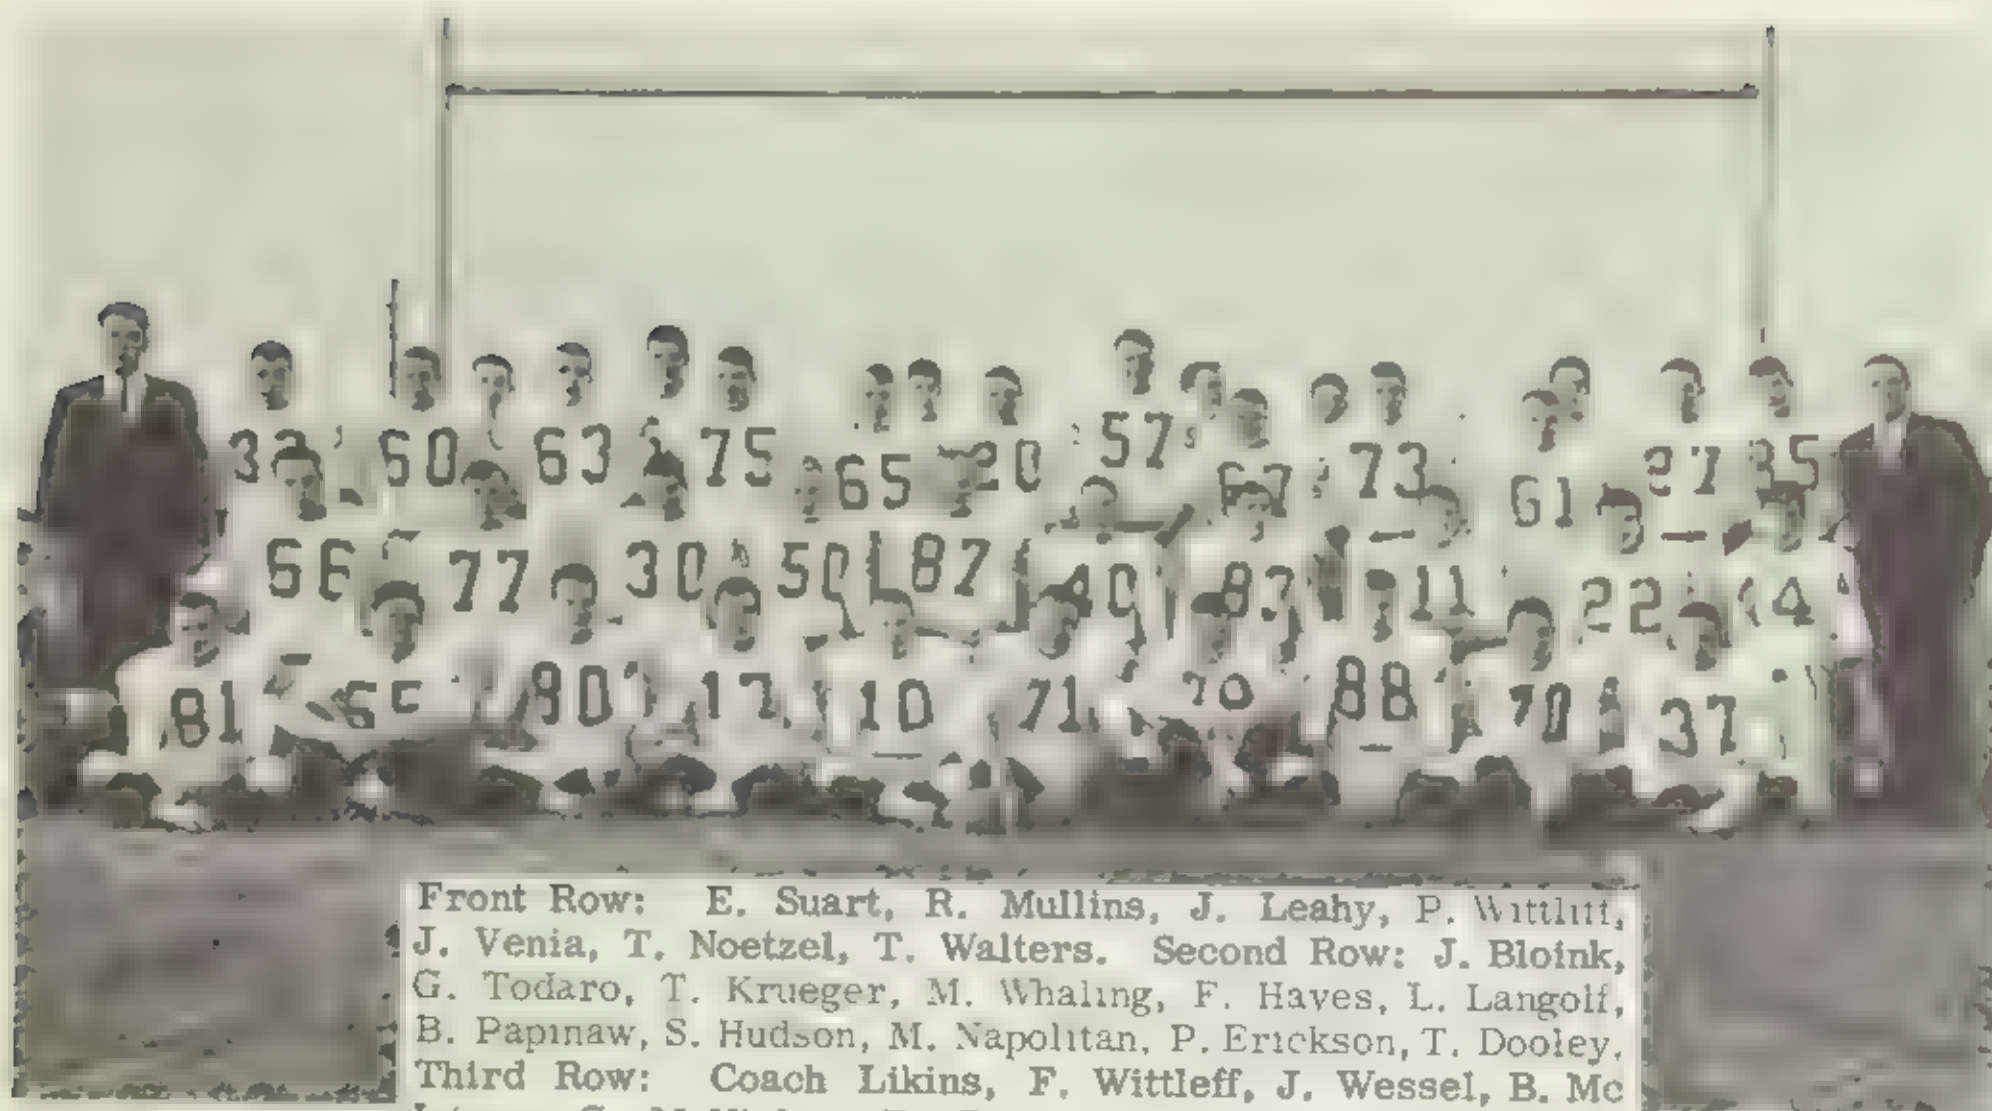

Athletics

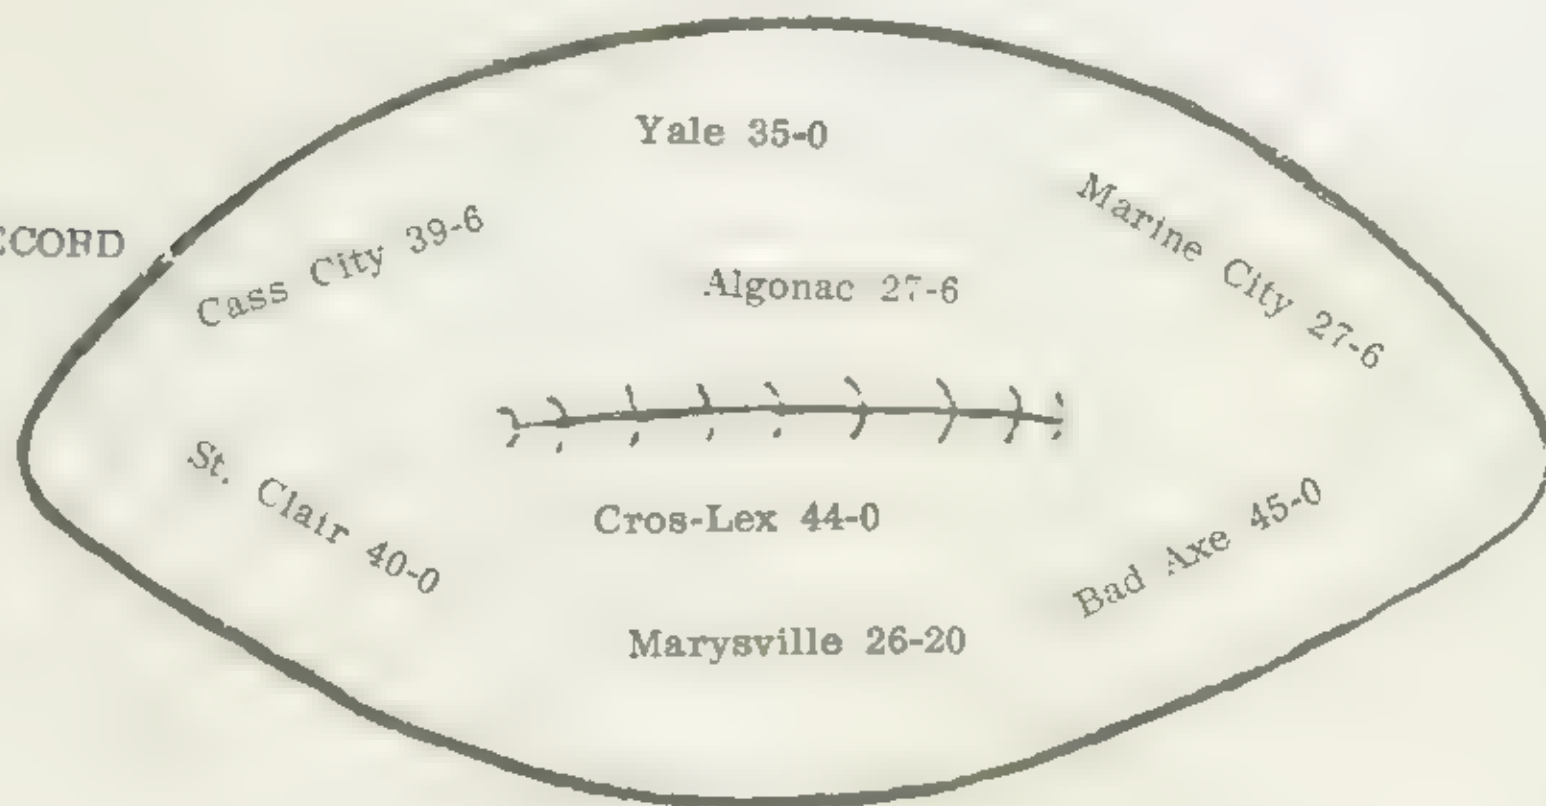

In Action

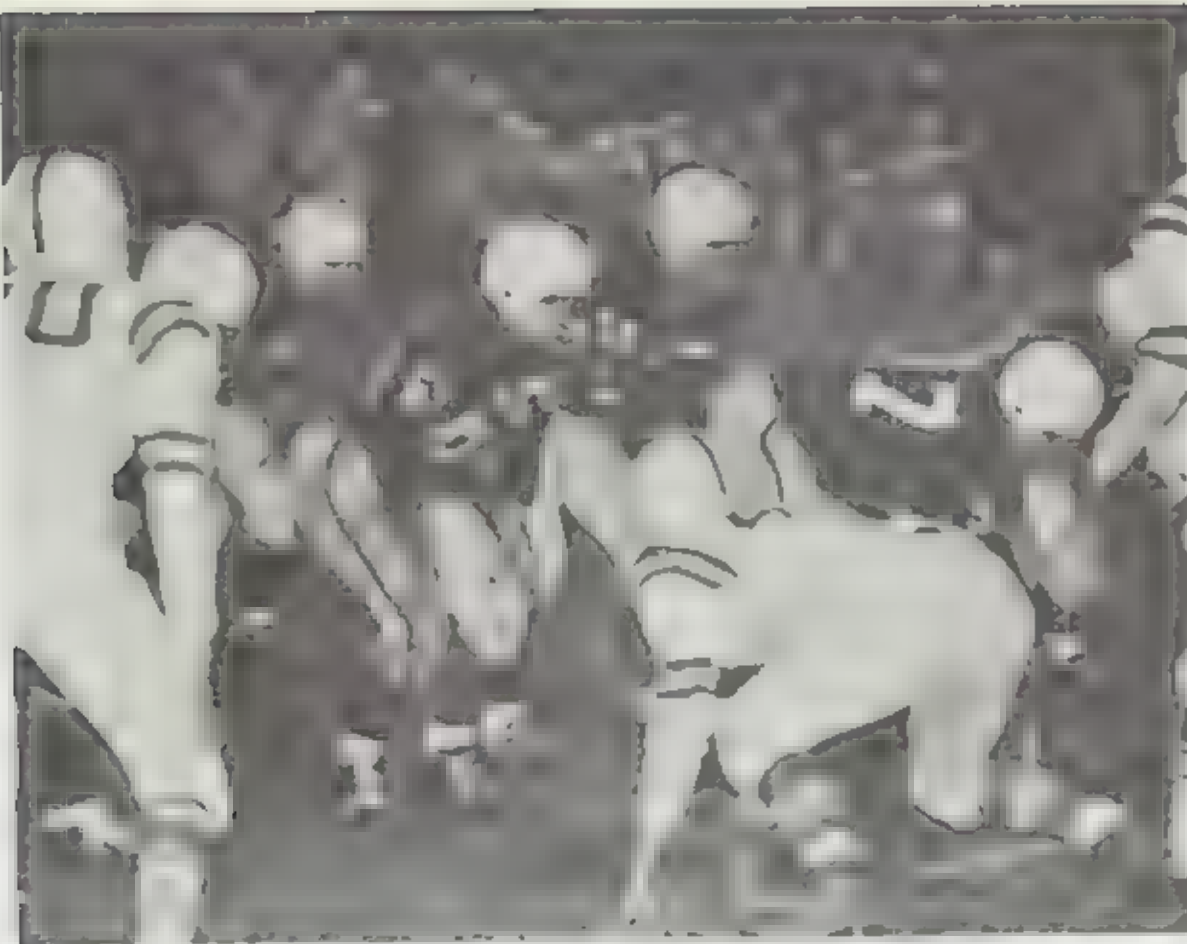

Here at Port Huron Catholic you can truly feel the Spirit in Sports. Whether the Warriors are victorious or are defeated, there is always a spirit of determination on the part of the team, and a spirit of confidence on the part of the students.

Clubs and Organizations

... play an integral part in the lives of our high school students. Students are given the opportunity to explore interests not covered in their academic subjects. Membership in a club helps to build character by encouraging initiative, developing leadership and responsibility, fostering teamwork, and creating strong friendships. The many varied activities of clubs and organizations teach students to share work, ideas, and responsibilities with other people. Organizations at Port Huron Catholic help to prepare us socially and morally--to become better individuals and well equipped citizens in an adult world.

Heritage Staff

Producing a yearbook is a job of many jobs. At times there is some fun involved, but for the most part there are many hours of hard work, research, writing and re-writing, picture hunting, cropping, and fitting pages together attractively. The staff members realized the labor involved when they undertook these responsibilities but the students were willing to give up their free time in order that the second edition of the Heritage could become a reality.

Having a nose for news isn't a rarity to the staff members of Smoke Signals, P.H.C.'s newspaper. Almost any hour of the day one of the reporters is travelling about the corridors seeking the latest scoop. Seemingly pestering the coach, the principal members of the faculty, and the students, these news hawks go all out to get their story. After discussing the stories with their moderator, Miss Scheff, they start their rewrite and it isn't long till the Student Body knows all the news. On Saturdays those who happen to chance upon the newspaper office will find the editors and typists giving their free time so as P.H.C. will have a newspaper. One would think by the size of the room little would be accomplished. But one only needs to see the paper to know the falsity of this statement.

Warriors Chorale is the foundation for the other two singing groups of P.H.C. It is a regular credit class in music. The members of the Warriors Chorale pursue all facets of musical endeavor.

A Cappella is an extra-curricular organization of a special performing group of singers. The students in A Cappella are limited to a certain style or type of music. This group represents our school at many community functions. Sr. Jonathan refers to this group as the "on-the-road singers".

Activities Prepare Us Socially

Young adults today are preparing for a social life in a fast-moving, modern world. To make headway in this life, today's teen must begin early to make social contacts: They must get out into the world and gain experience in the art of living with other people -- the art of society -- the art of fellowship.

The syllabus of action at Port Huron Catholic provides an excellent opportunity for high school students to gain the necessary familiarity with gregariousness to help them begin a successful life as a member of a community.

Port Huron Catholic's spirit in all of its activities show a promising outlook for our future adult generation that will include our forward-looking graduates.

One of the most important activities this year was the First Annual Homecoming. The members of the court are Christine Devereaux (Junior), Therese Douville (Senior), Donna De St. Aubin (Senior Queen), Kathryn Schultz (Senior), and Maureen Kramer (Sophomore).

We're Number One!

After being crowned "Homecoming Queen" during the half-time ceremonies by the President of the Home-School Organization, Mr. William Cain, our radiant Queen, Donna De St. Aubin, makes a memorable exit.

Sophomores sponsor a car for the homecoming activities.

The Juniors took part in a skit just before the Marysville vs. Port Huron Catholic football game. The cast includes (l. to r.): Marylin Gragowski, Ed Guyette, Fred Hayes, Larry Knowlton, David Lukasek, and Greg Marone.

The Senior Class float—"Blast 'M'" was decorated with maroon and white flowers. "Willy the Warrior" is all set to fire the cannon.

The Junior Homecoming car "Marysville Massacre" is owned and driven by William H. Streater.

Mr. William Patrick, the key note speaker, addresses the student body while Father McAnoy and Paul Ward listen attentively.

Other guest speakers are: Jerry Young, Hermine Turner, Mrs. Eleanor Johnson, Mary Frances Thornton, and Ron Wilson.

Greeting Mrs. William Streater at the Human Relations Day are: John Leahy, Thomas Noetzel, Sharon Touna, and Patrick Grace.

Mrs. L. C. Wardell, Mrs. Sue Carter and Mr. Fred P. Leitch on the left. To the right are: Mike McGee, Mike McLaughlin, Lynn Roberts, Gary Rogers, Thomas Waters, Wayne Moses, Pat Cogley, Edward Scheffler, Douglas Tuer and Larry Kearns.

Happiness is a Full Stomach

The senior boys "Breakfast Club" drinks a toast.

Sharon Touma asks "May I have the largest portion, please?" while Janet O'Donnell, Cindy Maigret, and Susie Leitch look on in amazement.

A senior skit is put on by L'nzop (Donna De St. Aubin)

The talent show, sponsored by the Senior Class, produced three winners. From left to right they are: Mike Howard and Mary Kay Jantunen, singing "I am Sixteen Going on Seventeen", Alfredo Careaga playing "Melodies", and Janet Baldwin and Doug Smith tap dancing to the "Continental".

Madness" and "Frosted Fantasy"

Before the Prom, Chris Marone and Lee Howard help decorate for the "Frosted Fantasy".

Waiting for the band to begin are couples at the Junior-Senior formal.

These couples are dancing to the music provided by the Cascaders.

Enthusiasm isn't lacking on the part of Juniors Carol Hayes, Kathy Parks, Robert Winkle, Dave Thomas, William ischer and Fred Hayes as they sell potato chips.

Mike Howard and Tim Irwin sing out a gay duet ('We're Called Gondolieri') for the Gilbert and Sullivan Revue.

On October 30th, P.H.C. put on its second Hootenanny. Two singers were Kathleen Palmer and Carol Appel, accompanied by Jon Daniels and Nancy Keltz. Bill Jenkins was master of ceremonies.

Camilla Armstrong, Alfredo Cireaga, Charles Dauphinais, and Carol Appel sing "In Enterprises of Martial Kind" from The Gondoliers.

An old favorite, "Michael", sung by Phil Erickson, Mick Napolitan, and Steve Hudson.

Basketball, volleyball, and ping pong were the activities at the Junior Fun Night. Here Phil Conger holds his own against a number of eager girls.

Sharon Touma, Donna De St. Aubin, Charlene Johnson, Sharon Bailey and Therese Ann Keegan leave Holy Family Retreat House.

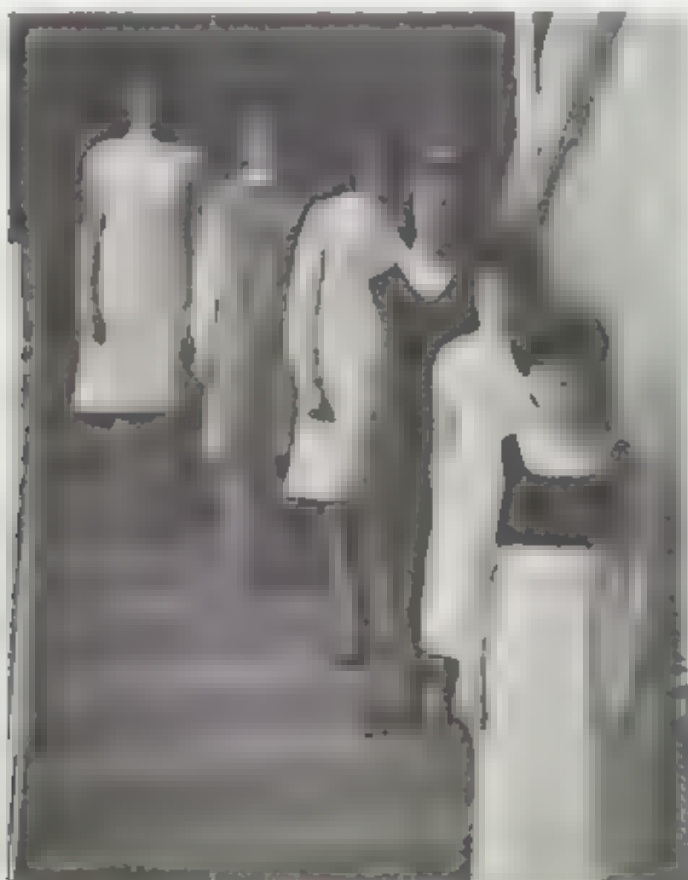

Here Kathy Schultz is praying before a statue of Our Blessed Mother.

The boys of the second year Latin class are depicting a classroom of early Rome. They are: Robert Marriot, Mike Klarer, Dale Erno, John McNaulty, Mike Kreiner, John Vizdos, John Czostkowski, and Louis Ropposch.

Aafke Wolterbeek, Dianne Kruse, and Sarajane Nelson seem to be completely absorbed in viewing one of the projects at the annual Science Fair.

Modeling their projects for the Fashion Show are: Charlene Johnson, Mary Fracalanza, Teri Douville, Gerri Conard, Patricia Graziadei, and Janet O'Donnell.

Senior boys are on the way to their retreat which was held in Port Sanilac, Michigan.

WARRIOR

Spirit of '66

"It is good to be zealously affected always in a good thing." No class can be found more "zealously affected" than the class of '66. Enthusiastic participation in school-related activities is the trademark of the Senior Class.

At anytime in the year you will find the Seniors engrossed in hard work, whether it is in sports, class projects, studies, or extracurricular activities. Seniors are the future of our nation. They will be involved in any number of careers, helping to build and strengthen America.

So many memories will leave with the Seniors in June of '66. With the grace of God, today's Seniors will be the leaders of tomorrow's world.

Reigning over the Homecoming festivities were Queen Donna De St. Aubin, with the Senior members of her court, Terry Douville, and Kathy Schultz.

No. 66, Willy, rides triumphantly atop the Senior float.

Seniors Have Spirit!

During the sports season the students eagerly look forward to the Friday afternoon pre-game skits. Above we see Bob Ryan surrounded by ardent admirers. At left Zop (Sharon Hendrick) and Unzop (Donna De St. Aubin) seem puzzled over the antics of young lovers John Leahy and Kris Guske.

The excitement created by the P.H.C. - Marysville game expressed itself in these works of art, contributed by enthusiastic students.

High Spirit

Enthusiasm runs rampant in the underclasses. The Freshman, to whom everything is new, seems exuberant and eager to add his energies to the total spirit of the school.

Prudent and perhaps a bit wiser, the Sophomore has his past years' feelings even more aroused as he falls in step with the school's vibrancy.

Rounding out this impressive group we find our Juniors, who are eager to meet every challenge, accept their responsibilities, and add their vitality to the end product . . . P.H.C.'s spirit.

AT MUELLER BRASS CO.

NEW! BELOW-ZERO STARTING Imagine starting instantly in 20-below weather. Cadet can do it—even with a weak battery! Automatic compression release holds exhaust valve open until engine revs up.

NEW! CHILD-PROOF SAFETY—Can't start it without the key. Can't start it if the clutch pedal is not depressed. Can't start it if you don't want it to start. It's child-proof! (And, we've added safety features for adults, too!)

NEW! 3 MODELS—7, 10, OR NEW 12 HP Frisky Cadet "71" hands you the reins to 7 horses. Cadet "102" gives you 10. And Cadet "122" puts the brawn of 12 horse power at your fingertips.

NEW! DRIVING EASE—Tall? Short? Long-legged? Seat is built for comfort and adjusts to you. Controls are "human-engineered" and steers like a sports car. Nothing to learn—you can drive it now!

INTERNATIONAL CUB CADET TRACTOR

Remember the great thrill when you first rode in a sports convertible with the top down? Get set - that's the new Cub Cadet Tractor all over again. It's fun. High Style. And, it's a demon for work. You charge down the lawn leaving velvet behind you. It plows, tills, harrows, rakes, seeds, and sprays with no strain, no sweat. Performs dozens of other jobs quickly and easily. We are proud of the Cub Cadet. You'll be proud of it too!

Seniors Graduate With A Will

AS our official act for the public record, we the Port Huron Catholic High School graduating class of 1966, do hereby record for posterity our final will and testament:

"I, Pat Cogley, hereby will my first day of school tradition of tennis shoes, no socks, Levis, blue banlon shirt, red sweater, and a green flowered tie to Greg Marone."

"I, Nan Whaling, hereby will my polka dot scarf and wrap-around glasses to Ruth Hayes so she can be seen while

riding her B.S.A."

"I, Ed Scheffler, hereby will one can of tuna fish and these two words of wisdom: 'Sorry, Charlie' to Charles Guest."

"I, Fran Sumner, hereby will a one-handed handcuff to Janet Varty."

"I, Mike Howard, hereby will my 26-volume little black book set to Charlie Dauphinais."

"I, Linda Ott, hereby will one half-used bottle of smelling salts to Tim Nault (in case anyone happens to

faint)."

"I, Tom Gilan, hereby, will my personal autobiography How to Become a 'Mr. Universe' Nominee to Jim Bloink."

"I, Marlene Gragowski, hereby will an electric can-opener automatic cigar lighter instant shoe polisher, vending machine, and pool table to Janet Varty."

"I, Joe Bennett, hereby will my marvelous tenor voice and Major General hat to Maych Tanchon."

"I, Mary Therese Zimmer, (continued on page 3)"

Dear Freshmen,

Soon you will join the ranks of upper - classmen. As members of the Sophomore class you will be expected to set an example for the new Freshmen, who, lost and bewildered, must look to others to find out the right things to do. If, on their way to lunch, they see Sophomores leaving the cafeteria in a mess, they will do it too. They will imitate you since you are closer to them than Juniors or Seniors.

Your influence will be carried to every future Freshman class by them. It is up to you to decide whether they will be well - behaved or ill-mannered. Your decision will affect P.H.C. in the years to come.

A TRIBUTE

We who have worked on the SS staff this past year would like to thank the seniors, Mary Fracalanza, Sharon Touma, and Mike Barzone, who were our fellow reporters. We would like to give special thanks to Cathy Ward our editor, Sharon Hendrick co-editor, Mary Ellen Young News editor, Business Manager Kris Guske, and typists Sue Erd and Donna De St. Aubin.

AS WE SEE IT!

Well, there they go.

The Class of '66, I mean--off into the Big World.

Commencement speakers will tell them that commencement is the beginning of life on their own, so to speak.

But they will know better.

They will remember the real beginning, four years ago when faculty members came to set up schedules. The meagre three or four electives were chosen without much regard to a goal or plan, but the next year, electives were fitted into some sort of a general system, and by the next year, the goal was quite definite; college, a job, marriage and a family, religious life; all were considered and one or several chosen and given sequence.

During the junior year they made the particular judgements.

College; Where; When; Could I get a scholarship? And then they began to write to colleges and then applied.

A job; Where? What do I need to know? Will this be permanent or temporary? And then they applied for several jobs, and they kept going back until they got one.

The boys decided whether to enlist or wait for the draft.

The girls thought about future marriages and future careers.

Some decided they had vocations and applied to seminaries, or convents.

And now they sit in their caps and gowns and hope their decisions, plans, and dreams were the right ones.

LETTER TO THE EDITOR

Letter to the Editor:

I am extremely perturbed at our baseball record and have decided to let the students of P.H.C. know why.

Dear Students:

Are you aware of your baseball record--no, not your team's baseball record but your's, the pep club's?

Do you know that the pep club of P.H.C. had a representation of a student, that is--one student at the opening game of the baseball season? Your team won that game but

Roving Reporter

Since this issue of the paper is dedicated to the seniors who are soon to be leaving P.H.C., we decided to ask a few, "How does it feel to be graduating?"

Bob Varty: "I'm gonna cry."

Pat Andrews: "Don't do it."

Jerry Keegan: "I'm depressed."

Hubert Reaume: "Great!"

Kathy Schultz: "It's sad."

Jim Venia: "It's just like taking another step forward, and I'm sure I'll miss it."

Martha Bennett: "Wonderful!"

Mary Lynn Railean: "I'm gonna cry."

Ron Bloink: "It's no different."

George Stracenrider: "Rotten."

did that encourage your turnout? No! For, in fact, the following representation went like this:

Algonac: first league game attendance- 3 sophomore girls.

Marine City: first home game attendance- 25 (give or take a few.)

Oh, yes, it was cold that night, but I recall cold nights during the football season.

Capac: attendance- 2 sophomore girls.

Yale: attendance- 3 sophomore girls.

Marysville: attendance- 25 at the most.

St. Clair: attendance- 1 and an injured player.

Richmond: attendance- 13.

Yep, "our" record is great, your pep club and showing of school spirit is "one of our outstanding attributes."

How would you feel, after all, if you went to practice every nite, worked as hard as you could, put forth a devoted effort, then looked and saw your pep club, numbering one, two, or three amidst an overwhelming crowd of people - cheering for your opposers!

Yep, "our" baseball record is bad news; that's really great for the "All American Sport".

Yours truly,
Carol Grace

Airline Passes Have a New Use

Young people having American Airlines Youth Plan Cards will be able to use them to buy half-price theater tickets on a stand-by basis for Fisher Theater productions in Detroit as well as 34 New York theaters and 29 theaters in 17 other cities.

The arrangements, effective May 10, are an extension of the Youth Plan originated by American Airlines that permits youths 12 through 21 years of age to travel at 50 per cent of the regular jet coach fare when seats are available at departure time. To qualify for the reduced rate, young people need only a Youth Identification Card, which can be bought for \$3.00.

With American Youth Cards members can buy two tickets, each at half the regular price when seats are available one half hour before curtain time of the matinee or evening performances. The second ticket can be used by anyone, regardless of age.

Latin Students Attend

Dear Born,

My advice is either put your books in your locker when you are through with them, or always lose them in the same place.

MR. O'DONNELL

After sixteen years as a fireman, four as a ladder-man and ten as pump-operator, Mr. Patrick J. O'Donnell has been advanced to city Fire Inspector for Port Huron.

Since last June, he has been custodian at Port Huron Catholic. While working here he has met many people and considers this school the finest and says he misses it very much.

The SS Staff congratulates Mr. O'Donnell on his new position.

HONORS CONVOCATION

Immediately following the final exams on Wednesday, June 8, our annual Honors Convocation will be held in the gymnasium. At this time, awards for perfect attendance and for academic activities, such as consistent placement on the honor roll, will be given.

Key awards in each subject area will also be presented. Awards from outside sources, such as the Junior College Science Fair and the metr awards will also be presented. At this time, the names of the seniors who have won scholarships will be announced.

KEEN TEENS ARE SENIORS

One of our Keen Teens this month is Karolyn Ropposch, behind whose quiet manner lies a real interest in people. Karolyn hopes to become either a social worker or a teacher.

Her special interest in music was evident through her participation in the Gilbert and Sullivan Revue. Karolyn was Yum Yum in the Mikado and Mabel in Pirates of Penzance. She has been in A Capella for 2 years.

Math and science are her favorite studies, and her hobby is playing the organ. She has maintained a B average through high school. After graduation, Karolyn plans to loaf until fall, when she will head for Nazareth College.

Anyone who has worked on the yearbook will agree that Doug DeFrain is a very active person. Last year he was Assistant Manager, and this year he was Manager.

Doug enjoys his studies, especially Government; he has kept a B average throughout his high school years. Doug is a member of the Government Club and a Student Council representative.

He was picked as one of 100 to go to MSU for Government courses for three weeks; six others from St. Clair county were chosen. Doug plans to go PHJC after graduation.

A more appropriate name could not be given to this month's Keen Teen, Yet Ming Lum, which when translated to English means "the rising sun."

Yet Ming or Martha, as she

is better known to her friends is a mixture of Chinese and Mexican blood and is one of twelve children, seven girls and five boys.

Martha is not an avid participant in sports but she greatly enjoys watching basketball and football.

Although she wants to be a biology teacher, chemistry is her favorite subject.

The Youth Domestic Corps and Sodality are two of her extra-curricular activities.

Since sports rank high with Chris McKinley, it is no surprise that he has been active in football, basketball, and track for all four of his years in high school.

Besides being active in sports, Chris also belongs to some of the clubs at school, among them the Varsity Club, YDC and Service Squad.

Chris plans to enter the Marine Corps after graduation. He will be stationed at the Marine Corps Recruit Depot in San Diego for his boot training.

What Will They Do Next?

There probably isn't any student, who at one time or another hasn't been asked what he or she wanted to be when they grow up. Our seniors, now "grown up" must seriously contemplate this question and decide what career will await them. Will it be college, the working field, religious life, or marriage? The following is a list of the majority of seniors with their chosen vocations.

Ranking highest among our seniors is college and having our own JC makes it easier for the vast majority to attend. George Stracenrider, Dan Smith, Jaye Laber, Rick Elssesser, Tom Zimmer, Gary Todaro, Dennis Belina, Ron Schock, Mike Landschoot, Mike Johnsick, Tom Dunn, Rick Lopez, Hubert Reaume, Jonn Pemberton, Charles DeLuca, Pat Keegan, Jerry McPherson, Bob Ryan, Jerry Keegan, Ty Bassett, Barb Robertson, Kitty Hazelman, Jackie Kar, Jan Whaling, Don Bloink, Mike Howard, James Howard, Tom Gilan, Doug DeFrain are some of the many. However, JC is certainly not the only college in the vicinity. Pat Grace, Jim Venia, Tom Noetzel, and PJ Andrews will be attending Central Michigan University. Also attending Michigan's fine colleges are Tim Irwin; University of Detroit, Richard McDonald; Michigan Tech, Mary Ellen Young and Mary Gleason; Western Michigan University, Mary Przedwojewski; Madonna College, Joela Geoffrey; Eastern Michigan, Andy Bryan, Oakland, University, Michigan State will be the new four year home for Sue Erd, Sue Enright, and Mike Whaling. For Cathy Schultz it will be University of Michigan; Sharon Hendrick and Anna Fifer will enter the halls of Marygrove. Karolyn Ropposch, Linda Szyganski, Linda Ott, Mary Simpson, Sherry Palmer, and Raphaelle Graziadei will all enter the Sisters of St. Joseph's college at Nazareth. College, though, is not the only field being entered into as proved by Rosemary Gonzales, Mary Lou Scheible, and Mary Wall who will all enter the Secretarial field. Also entering the business world are Jan Vermeesch

(continued on page 7)

(continued from page 6)

who will become an electrical apprentice and Dennis Nowiski an apprentice of tool and dye.

PHC's girls in white will also take their training this fall. Marlene Gragowski will be trained at the Jones School of Practical Nursing. Carm Ackner and Kathleen Gilan will become nurses through the courses on Port Huron's JC. Sharon Touma will be capped through State's Nursing Course.

Fran. Feeling, Janette O'Doanell will learn the fine arts of beauty through PH's Beauty School. Meanwhile, Linda Feher and Joann Francek, will learn the techniques taught at IBM school.

Dianne Kruse will have a memorable summer, for she will tour Europe for her vacation.

For two of our seniors, fall will bring a new life; a

married life. Best wishes to Nancy Sakolowski and Cindy Maigret.

Another career to be followed is that of the Armed forces. Joe Bennet has enlisted along with Bob Lapish, Ernie Stuart, Chris McKinley, Mike Sharpe, Marv Gater who have entered the US Marines. Tom Walters and John Houghton; the Navy. One of our girls, Barb Zwolinski has also enlisted; and will further her education through the Armed Services.

Also attending out of state Colleges are: Annie Anderson; University of Washington, Mary Kay Juntunen, University of Dayton, Cathy Ward, Mt. St Joseph on the Ohio, Dennis Cuil; Rensselaer Polytechnic Institute, Phil Wittliff; Notre Dame, and Rich Mullins, Loyola University.

Port Huron just wouldn't be the same without more of PHC's graduates attending JC, the remainder are: Linda Chapdelaine, Barb Berish, Charlene Johnson, Chriss Marone, Ann Bernard, Sue Belanger, Margaret Charron, Mellani Miller, Mary Ann Armstrong, Ellen Johnson, Harold Jowett, Tom Kinnee, Ed Muldoon, Bob Varty, Domingo, Ruiz, Ed Peters, David Jansen, Pat Cogley, Donna De St. Aubin, Kris Guske, Maureen Erno, Candy Carolan, Cathy Perz, Carol Apple, Lucy Goulette, Martha Bennett, Mary Therese Zimmer, Ann Piechowiak, Aafke Wolterbeek, Robert Weir, Mary Lynn Railean.

Whatever the course of life they take; Best of Luck is wished to each and every student!

BARN DANCE

Lanterns, checkered table cloths and bales of hay played up the country theme of the Barn Dance, sponsored by the GAA. The event was held Saturday, May 14, in the gym. Music was provided by the Classics.

Ann Piechowiak and Nancy Noble were co-chairmen. Heads of committees were Mary Wessel, advertising; Mary Noetzel tickets; Joan Landchoot, clean up; Mickey Zimmer, refreshments; and Debby Robson, decorations.

Last Dance of Year

Acclaimed A Success

Music by the "Elements" was the entertainment provided at the "Dance of the Champs" Saturday, May 21. This dance, put on by the Varsity Club, was the last dance of the year and students of all four grades were able to attend.

FTC Tutors

Grade School Students

This spring PHC's Future Teachers Club started a tutorial program at Cleveland Elementary School. There are 17 students involved in this program. These students will tutor 26 students from Cleveland School in reading, spelling, and arithmetic.

The FTC is tutoring grades one through five and will also be holding gym classes for the older boys.

TENNIS

St. Clair's Saints, the area's finest tennis team, upended the Warriors 4-1 as Domingo Ruiz and Johnny Molinaro won our only match.

The old adage that "strategy sometimes backfires" was proven as the Warriors traveled to Richmond. Coach Doug Nelson loaded up the doubles teams in order to pick up two points and left it to Dave Cain to pick up the winning point. Well, something went wrong. The Devils swept all three singles and deflated us 3-2.

Next the net men went to Cros-Lex, defeating the Pioneers 4-1. Bill Jenkins was the Warrior's loser that day.

When Algonac came to town things didn't turn out so well. Once again it was the team of Domingo Ruiz and John Molinaro who averted a whitewash as we were beaten 4-1.

Port Huron Northern's 'B' came to visit and were edged by our 'B' team, 4-3. The Warriors swept the doubles and Bill Jenkins' win at first singles picked up the victory.

In the next to last SCAL meet, the Warriors avenged a previous 4-1 loss to Marine City by treating the Mariners to the same score.

Gymnastic Night

Here is Patti Lynch as she performed in one of many routines that were presented as part of the annual Gymnastics Show. Members of G.A.A. presented Swedish and free exercises as well as tumbling and parallel bar work. The event was held as part of the May 2 meeting of the Home-School Organization.

BASEBALL

Port Huron Catholic notched its second straight St. Clair Area League Baseball win by edging Cros-Lex 7-5 in eight innings.

The Warriors led 5-0 at the end of two innings, scoring four runs in the second on John Barton's single, an error, Tim Dooley's second, a single, two walks and Mike Sharkey's two-run single.

Then the Warriors scored twice in the eighth on Dave Jansen's single, a stolen base, Sharkey's second single, a walk and an error. Tim Dooley, who pitched the first six innings for the Warriors, had three hits.

Determination and fast hand-offs, like this one from Bill Carroll to Frank Wittliff, earned our relay team the title of "The Flying Irishmen."

It's a bird! It's a plane! No, it's Ed Johnson breaking his own school record for the pole vault!

Mike Howard breaks the tape to set a new record.

Track

Four Irishmen pose with the baton they carried to victory at the New Haven relays.

More Tennis

Bang! Bam! Pow! Wow!

That's the way the Port Huron Catholic batmen sounded as they bombarded their third win in a row.

The Warriors' baseball team rattled off thirteen hits, three each by Jim Venia and starting pitcher Tim Dooley in walloping Armada High 12-3 in a non-league game.

Mike Landschoot cracked a two-run homer for the Warriors.
